Home **Personal Details** Academic Details Correspondence Online Finance Enrolment Course Info Arion Options

Welcome!

The following is your personalised homepage. It contains the latest Arion news, and access to details of your AUT record.

Personal Details
Maintain your addresses and other personal details with Arion.

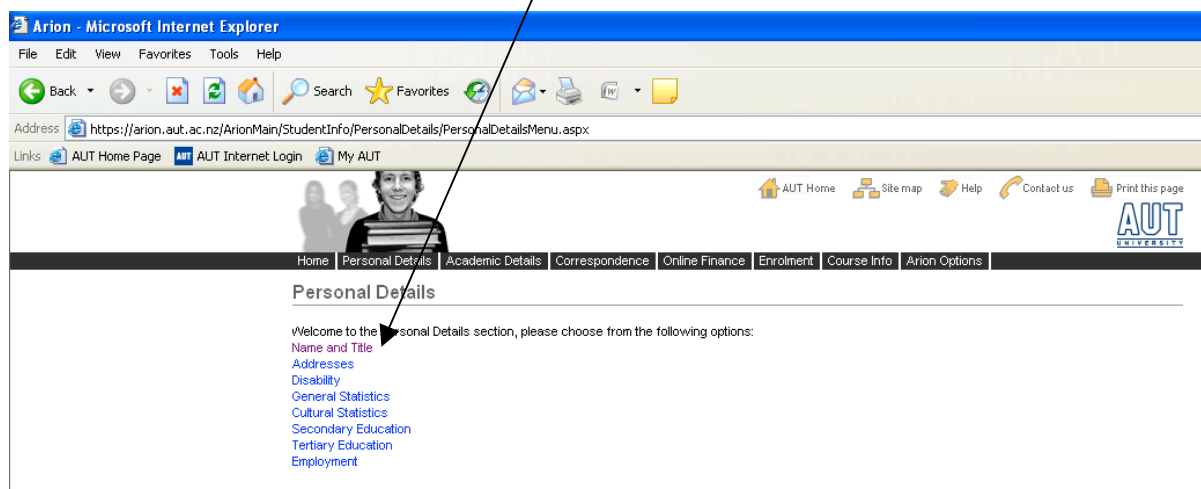

Academic Details
View your academic progress such as qualifications gained and class assessment details. The programme information section allows you to accept an offer of place online.

Online Finance
AUT provides access to your financial information online.

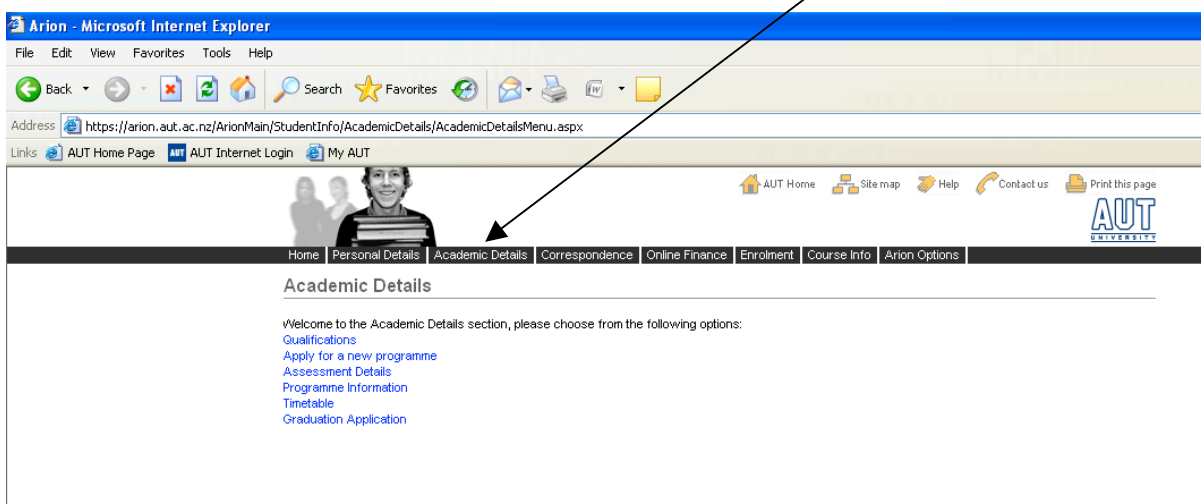

Class Enrolments
Enrol in AUT Classes online now!

Apply for a new programme >
Start a new qualification

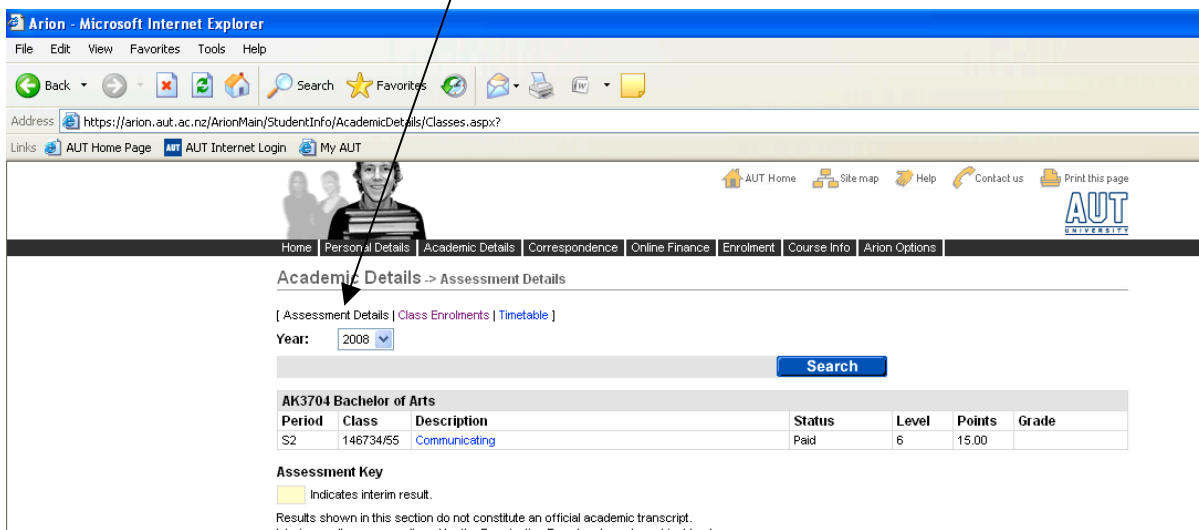

Personal Details tab where students can change their personal details such as contact postal address, email address, phone number. It is important that students keep their postal address and email address up to date on here as this is how AUT University will contact the students.

Academic Details tab, students can apply for a new programme or see their current programme information as well as view their timetable, paper enrolments, and status of their graduation application.

Assessment details tab where students can view further information about each paper they are enrolled in
