On 27-28/06/2012, International Training & Education Center trung tâm ITEC - HCMUS, the 10 CIT's students presented their Capstone Project to AUT council. In the ceremony, there are the lecturers from AUT and HCMUS.

The Capstone Project come is the final course of academic program. One of them are the real project which come from the companies, enterprises, or the AUT lecturer's suggestion. This course require many soft skills and ability to synthesize knowledge during studying in HCMUS/AUT.

Here are the capstone projects:
