At night 22/12/2016, “XMAS IN THE CITY” party dedicating to ITEC students was organized at Kopo Desk Coffee Workshop.

This is the first time ITEC students organized an enjoyable party – with a cozy atmosphere and amusement games.

This party was a great occasion for students and ITEC alumnus to meet and share their feelings, moments with each other. Throughout games like exchanging gifts and challenges, students united and built a solid relationship between them.

Moreover, the party was such an entertaining playground, full of billboard music featuring DJ Shann and ITEC Music Club. Students got to breakout and got wild after stressful lectures in class, dived deep into music and the exotic atmosphere.
