The cycle 8 class, Bachelor of Information and Technology Science, joint program between HCMUS, Vietnam and Auckland University of Technology, New Zealand has just finished their lecture course with AUT lecturer. This is the 2nd time students have to study in a gathering course for Information Security Technology paper, lectured by Professor Ajit Narayanan.

Professor Ajit is an experienced lecturer from AUT, he is currently the head of Researching Lab from AUT.

[More information of Prof. Ajit Narayanan: http://www.aut.ac.nz/profiles/ajit-narayanan](http://www.aut.ac.nz/profiles/ajit-narayanan)
