Each level runs for either 7 or 8 weeks depending on the level. Classes are held each day of the week and run for 3hrs per day totaling 15hrs per week.

Each level has provision for a repeat course should the students be unable to pass first-time round.

The standard course uses the '*Language Leader*' series published by Pearson and the repeat courses use the '*Speak Out*' series also by Pearson. Students are provided with the student book and workbook for each level. The IELTS training course uses '*Focus on IELTS*' (Pearson) as a core and '*New Insight into IELTS*', published by Cambridge, as supplementary.

The passing grade for each level is an overall 70%.

All teachers are required to hold at least a Bachelors Degree and CELTA and have a minimum of two years classroom experience.

All classes are taught in English using the Direct Method in a student centered manner.
